

The Golf Guide in Slovakia brings you an overview of all golf resorts in Slovakia. It serves as a practical guide for all golfers in Slovakia. The reader gets an overview of the given area in a comprehensive form. You will explore the type of golfcourse, additional services provided by the resort, the form of catering or accommodation. It gives information about the members of each area, number of club and commercial tournaments in 2016. Of course, you will not miss the information about the news prepared by the resorts supplemented by a rich photo gallery and basic information about the location, opening hours and contact details for the given area.
